FAMILY FUN

Journey on the James

JUNE 30

Enjoy a day on Virginia's beautiful James River. Parent-child teams will learn basic canoeing skills by boating down this gentle stretch of water.

Along the way, we'll break for a shoreline picnic and take a look at some of the plants and animals that call the river home. *Bring a bagged lunch, plenty of water, and a change of clothes.*

Time: 9am-5pm

Cost: \$70 member pairs, \$80 nonmember pairs

Summer Jubilee

JULY 2

Join us for a WILD summer celebration with fun for the whole family. Try your hand at geocaching with a special one-day-only treasure box, and build a bluebird box to enjoy in your own backyard all summer. Win prizes on a nature bingo hike, and help create a favorite summer treat at the ice cream social. *Four activities run in 30-minute intervals.*

Time: 10am-noon

Cost: \$20 per parent-child team, or \$40 per family

Night Hike

JULY 23

Explore the world of the woods after dark with this non-scary walk for the whole family. Simple activities along the trail will help us better understand the creatures and features of the night, as well as our own responses to the dark. *Bring a flashlight or share one of ours.*

Time: 8pm-10pm

Cost: \$10 members, \$15 nonmembers

INSPECTOR WILD!

4-6 years old

Time: 9am – 11am

Cost: \$15 members, \$20 nonmembers

Animal Detective

JUNE 18

Sometimes we're lucky to see actual animals in the woods, but usually we have to use other clues to tell who has used the same trail. See if you can put together clues of animal signs to solve the puzzle of who's been on this trail before us.

Splish Splash

JULY 16

Beat the summer heat with a splash in a Wintergreen stream. While we're there, we'll meet some of the animals that spend their lives in the water. *Wear shoes that can get wet.*

A Tree and Me

AUGUST 13

Take a walk in the woods to see what makes the forest giants so special. Then get up-close and personal with the trees and earn your tree adoption certificate to show off to all your friends and family.

Camping Can-Do

SEPTEMBER 3

Be a big helper on your family's next camping trip. Learn how to set up and take down the tent, how to be safe around the campfire, and how to keep your dinner from ending up as a bear's dinner.

WILD! ADVENTURERS

7-12 years old

Time: 1 pm – 4 pm

Cost: \$20 members, \$25 nonmembers

The Scoop on Poop

JUNE 18

Can you tell what animals have walked this way? Dust off your detective hat and learn to use the clues animals leave behind for us. Learn the difference in animal tracks, scat, and other signs as we go on the trail of secretive Wintergreen animals and lots of fun along the way.

Wet and WILD

JULY 16

They both have water, but what makes streams and ponds so different? Join us for an up-close look at both a Wintergreen pond and stream to capture and compare some of the animals that live in each habitat. *Wear shoes that can get wet.*

Terrific Trees

AUGUST 13

Can't tell your pines from your poplars? Spend the afternoon with us and see the forest for the trees! Fun games along a trail adventure will help us get on a first-name basis with our Wintergreen trees.

Outdoor Skills

SEPTEMBER 3

How handy are you in the great outdoors? Hone your outdoor and survival skills with a practice session. Learn fire-making, building an emergency shelter, and finding food and water in a pinch.
