# The 4th Annual Rediscover Virginia Educator Workshop

This summer The Wintergreen Nature Foundation will take you on a journey through the **geographic regions of Virginia** to show you the amazing discoveries in your backyard and on the other side of the state.

At the end of this conference each teacher will be able to walk into their classrooms prepared with **new information** and **hands-on activities** that support the Standards of Learning and enrich the curriculum.

## Participants will

- Understand the unique aspects of each region in Virginia
- Brainstorm and network with other teachers from the state
- Work with Virginia's finest researchers and educators
- Use the beautiful Blue Ridge as a teaching classroom
