

HOMESCHOOL PROGRAM

Join Kathie Driscoll and Homeschool Teacher, Kate Smith at The Nature Foundation at Wintergreen to learn about different animal habitats. We will explore 2 unique ecosystems on the trail and compare these places in homes that animals choose. The Nature Foundation's Homeschool Program is a great way to get hands-on science while networking with other homeschool families.

Appropriate for ages 4 and up.

\$5 TNFW Member/ \$8 Non-Member. Space is limited.
